22 June 2010

Dear Anthony Property Owner,

The Town of Anthony and the Anthony Police Department are working to ensure the town is code compliant. With spring behind us and the summer getting warmer, I would like to remind property owners that tall grass, weeds, junked vehicles, trash, unrestrained animals, and other public nuisances are not permitted by Anthony Municipal Codes 10.12, 8.12, and 6.08.

Starting in July, I will be making a focused effort on all residential and commercial property not in compliance, including abandoned buildings or vacant lots. Official warning notices will be issued, and if the violation(s) is/are not corrected, citations will be issued. If the violation continues after subsequent citations are issued, the Town may contract a private work crew or assign a special detail of the Town crew to physically correct the violation and place a lien on the property to recover the cost.

If you have any questions or concerns, an officer is available to meet with you at the property to speak with you in greater detail concerning specific violations and to suggest methods of meeting compliance. You may also bring neighborhood nuisances to our attention for resolution. Please call (915) 886-3838 or come to the Anthony Police Department at 401 Wildcat during regular business hours.

I hope you will be willing to meet and exceed the lawful standards to promote pride and well being for the Town.

Sincerely,

Shaun Roberts
Police Patrol Officer
