The Honorable Veronica Escobar:

It is my pleasure to write a letter in support of the proposal for Community Project Funding Requests FY 2024. I fully support the efforts of the Town of Anthony, Texas Public Works Department as they seek external funding for:

- A. Community Oriented Policing Services (COPS) – Technology and Equipment
- B. State and Local Law Enforcement Assistance—Byrne Justice Assistance Grants (JAG)

If you require more information, please contact me via phone (915) 886- 8555,

Sincerely,

A handwritten signature in black ink, appearing to read "Benjamin C. Romero". The signature is fluid and cursive, with a large initial "B" and "R".
