APPLICANT BUSINESS VERIFICATION

I recognize that this permit is not the only permit required by the Town to open the business. Application for a building permit is also required from the Town of Anthony. Furthermore, all necessary state licenses must be obtained. I also recognize that this application will go through the Town of Anthony's alcohol permit verification process, which will determine whether the business meets all applicable local option regulations and zoning restrictions. I acknowledge that to receive the permits from the Town my proposed business must comply with all state and local regulations, including zoning regulations.

I also acknowledge that changing the operation of my business (i.e. the type of alcohol sold, the location of where such alcohol is consumed, the amount of revenue collected from alcohol sales, the types of licenses that my business holds, etc...) may affect how my business is classified under the Texas Alcoholic Beverage Code and/or Frisco's Comprehensive Zoning Ordinance, as amended. I further recognize and agree that a change in classification may mean that my business becomes an illegal use the Texas Alcoholic Beverage Code, and any local option ordinances. During such time that my business constitutes an illegal use, I may be subject to fines of up to \$2,000 per day for violating the City's Zoning Ordinance and may be subject to other administrative and legal penalties.

I further agree that the operation of this business, which is the subject of this application, shall at all times fully and strictly comply with all federal, state, and local laws.
